

"Tell me about yourself."

Example 1: "I am an IT professional with 3 years of experience. I work mainly with computer systems and networks. I love solving problems and making sure everything runs smoothly. In my last job, I helped my team by fixing issues quickly and improving our system's security. I like learning new things and working with others to find good solutions. I am excited about this opportunity and how I can help your team."

Why it's effective: This answer is straightforward and avoids complex language, making it accessible for someone with intermediate English skills. It clearly outlines the candidate's experience, skills, and enthusiasm for the role.

Example 2: "I've been working in customer service for 5 years. I enjoy talking to customers and helping them solve their problems. I've learned how to listen carefully and communicate clearly, even in difficult situations. In my last job, I was often praised for my patience and problem-solving skills. I'm looking for a new challenge and a chance to use my skills to help even more people."

Why it's effective: This response uses simple language to convey the candidate's experience and strengths in customer service. It highlights important qualities like patience and communication skills, which are key for such roles.
